Additional Assistance

For more information about how to change settings and diagnose problems, see the user documentation for your device. This documentation is available on your computer after you install the software—either from the HP Officejet 7612 Wide Format e-All-in-One Printer Software (Windows) or the Help Viewer (Mac OS).

Fax Test Setup

To verify that your product is setup correctly for Fax, run the Fax Test. You can access this test from the device control panel or from the HP Officejet 7612 Wide Format e-All-in-One Printer Software.

Wireless Network Test

To verify your product is setup correctly for Wireless, run the Wireless Network Test. You can access this test from the device control panel.
